**Summary of reasons  
for classification:**

The DVD entitled *Slither* is classified as:  
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 16 years.

The DVD contains a feature previously classified by the Office of Film and Literature Classification. The feature was classified as objectionable except if the availability of the publication is restricted to persons who have attained the age of 16 years, with the descriptive note "violence, offensive language and horror". The decision was registered on 4 May 2006 (OFLC No. 600894).

The DVD also contains a variety of material about the making of the feature, including components explaining how various technical effects were achieved, interviews with the cast and crew, deleted scenes and extended scenes. The extra material does not provide grounds for changing the original decision or descriptive note.
